PETCO Park

Description

PETCO Park management has the role of monitoring and maintaining the relationship between the City and the parties that use PETCO Park facilities, specifically the San Diego Padres Major League Baseball team. Management is also responsible for ensuring that both the City and the San Diego Padres comply with the contractual agreements set forth in the Joint Use and Management Agreement (JUMA).

During Fiscal Year 2012, special event revenue was greater than expected primarily as a result of PETCO's Sales and Marketing staff booking more events than originally projected. Actual special event revenue was \$136,025 more than was budgeted, representing a 68 percent increase. Continued efforts by PETCO's Sales and Marketing Department to increase special event revenue are proving successful despite the downturn in the economy. In addition to these efforts, the City expects the special event revenue is expected to continue to increase over the coming years due to a potential economic recovery as well as the continued efforts being made by the Sales and Marketing Department at PETCO Park.
